Paris is a city that has captured the hearts and imaginations of travelers for centuries. Its iconic landmarks, its rich history, its vibrant culture, and its undeniable allure have inspired countless works of art, literature, and music. And for those who have had the privilege of experiencing the City of Light firsthand, its magic lingers long after they have returned home.

In her new book, *Paris Never Leaves You*, author Elyssa Friedland explores the enduring power of Paris to captivate and inspire. Through a series of personal essays, she shares her own experiences of living in Paris, and reflects on the ways in which the city has shaped her life.

Friedland's writing is lyrical and evocative, and her love for Paris shines through on every page. She writes about the city's beauty, its history, its

culture, and its people. She explores the city's iconic landmarks, from the Eiffel Tower to the Louvre, but she also delves into the hidden corners of Paris, the places that are off the beaten path and where the city's true magic can be found.

Friedland's essays are more than just travelogues. They are also meditations on the nature of travel itself. She writes about the power of travel to open our minds and hearts, to challenge our assumptions, and to change our lives. She also writes about the challenges of travel, the loneliness and the culture shock, and the ways in which travel can sometimes test our limits.

But ultimately, Friedland's book is a love letter to Paris. It is a celebration of the city's beauty, its culture, and its people. And it is a reminder that the magic of Paris never truly leaves us.

### **A Passage from Paris Never Leaves You**

### **Why You Should Read Paris Never Leaves You**

If you are a lover of Paris, or if you are simply curious about what makes this city so special, then you should read Paris Never Leaves You.

Friedland's writing is beautiful and evocative, and her love for Paris shines through on every page. This book is a must-read for anyone who has ever been to Paris, or who dreams of one day visiting the City of Light.
