### The Man Built for Justice

Jack Reacher is a man built for justice. He is a former military policeman who has seen the horrors of war. He is a man who knows how to fight and how to survive. He is also a man who believes in justice and who will do whatever it takes to right a wrong.

Reacher is not a perfect man. He is often blunt and abrasive, and he has a tendency to get into trouble. But he is also a man with a strong moral compass, and he will never turn away from a case that needs his help.
