## Koala Hat Sizes

Koala hats are typically available in three sizes: small, medium, and large. Small koala hats are designed to fit babies with a head circumference of 14-16 inches. Medium koala hats are designed to fit babies with a head circumference of 16-18 inches. Large koala hats are designed to fit babies with a head circumference of 18-20 inches.

To determine the correct size koala hat for your baby, measure their head circumference around the widest part of their forehead. You can use a

measuring tape or a piece of string and a ruler.

## **Diaper Cover Sizes**

Diaper covers are typically available in two sizes: small and large. Small diaper covers are designed to fit babies who wear diapers in sizes newborn to 3 months. Large diaper covers are designed to fit babies who wear diapers in sizes 3-6 months.

To determine the correct size diaper cover for your baby, measure their waist around the narrowest part of their stomach. You can use a measuring tape or a piece of string and a ruler.

## **Matching Koala Hats and Diaper Covers**

Many baby clothing retailers sell matching koala hats and diaper covers. This is a great option if you want to create a complete koala costume for your baby. When choosing a matching set, be sure to select items that are the same size.

## **Tips for Choosing the Right Size**

- If your baby is between sizes, it's always better to choose the larger size.
- Koala hats and diaper covers should be snug but not too tight.
- Your baby should be able to move their head and body freely when wearing a koala hat and diaper cover.
- If you're not sure what size to choose, consult with a sales associate at a baby clothing store.

Choosing the right size koala hat and diaper cover is essential for ensuring that your baby is comfortable and looks their best. By following the tips in this guide, you can find the perfect size for your little joey.
